

national science week 2021

14-22 AUGUST 2021

All events will be shown on our facebook page
- facebook.com/easternregional

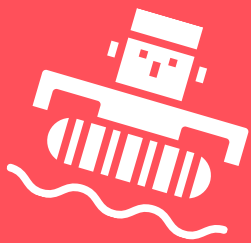

CELEBRATE NATIONAL SCIENCE WEEK AT HOME!

MONDAY 16 AUGUST

FOOD FLOAT OR SINK

2PM

Do you know which foods float and which sink? Make your guess and we'll find out together.

TUESDAY 17 AUGUST

ASTRONAUT ICE-CREAM

10:00AM

Sharni will show you how to prepare some delicious 'Astronaut ice cream' with a little help from her friends Taiga, Mae, Bodhi and Oscar.

An Australian Government Initiative

WEDNESDAY 18 AUGUST

FAKE SNOW

2PM

We will experiment with ratios and ingredients to see if we are able to make our very own snow! Watch out as our experiments may get messy!

THURSDAY 19 AUGUST

EGGY EXPERIMENTS

4PM

We'll show you some easy science experiments with eggs that you can try for yourself.
